

Cycle Pro LLC®

Highest Quality Replacement Parts Available

Product Update

6/1/2021

Cycle Pro is proud to announce upgrade and redesign to a very popular Master Cylinder for the V-Twin market. ALL parts shipped as of 6/1/2021 will be new design.

We have designed a test bench and 100% of these master cylinders are tested for pressure, drain back, and holding retention prior to packaging. See video attached or at www.CycleProllc.com or our Facebook Page.

The factory has redesigned this part many times through out production, we have taken all the redesigns along with our engineering staff and have designed the ultimate part for this application

High Performance

CP# 18389 OEM# 42382-87

- 100% brand-new design steel piston and officed drain holes location.
- Upgraded micro finish on inside bore for long service.
