Complete Piston Ring Program

Made in the USA

Each kit is **COMPLETE** engine.

All ring faces are pre-lapped for easier seating.

The design of our Compression rings allows for better ring stability.

All ring kits come with easy to follow directions

Our design Oil Rings affords greater drainage capacity than other designs.

Our ring program can be labeled under YOUR house brand.

Exclusive design oil control ring is the easiest of all designs to install because there are no right sides up or down.

Our Rings can't overlap, can't gouge and can't be installed wrong.

In-Stock for short lead times.
